

Motorized stand max. 70 inch

062.7205 Wheeled stand with electrical height adjustment up to 70 inch BLACK (economy version)

Just recently we released products 062.7200 (silver-grey) and 062.7205 (black), motorized trolleys for Touch screens up to 70 inch max. 135kg. What makes this product so unique is its screen flexibility and installation ease, within just three steps the product is installed and ready for use. These wheeled stands with electrical height adjustment have continuous and silent height adjustment and an integrated screen bracket containing most VESA patterns, making it suitable for almost every display. The embedded VESA bracket has another special feature, it can be used as support for a Desktop PC at the back. The stand has handles on the side what makes the unit very easy to move around and therefore useful in multiple rooms to demonstrate a product or give a presentation. The applicability of this SmartMetals product is endless. Accessories available for this stand are a lockable lid for the PC support, a keyboard platform and a laptop platform with swivel arm.
